## OUR MIDSUMMER SALE.

House-cleaning in August may not be good domesticity but it's good merchandizing. We're promised 2½ months, full 80 days of warm weather yet, so the seasonability of our goods can't be disputed. You need coaxing, we need money. Therefore we're going to convert stock into cash by offering price inducements you can't resist. It's easy enough to sell the "cheap" cheap, but we're selling the good cheap. Key your expectations to the highest, then come. This is a sale to move accumulated stock, not to make a profit. Begins Monday, August 12th, ends Saturday, August 17th.

CINCINNATIANS had best confine themselves to the "Rhine," or at least to Coney Island or the Lagoon. Three of them came near drowning at Cape May a few days ago.

THE PENNSYLVANIA Democrats have followed in the wake of their Ohio brethren. They have adopted a platform with BRYAN's vagaries left out. The Democrats are evidently trying to get back to Democracy, leaving Populism to the sookless and bewhiskered Populists.

THE LATEST from Colonel T. C. CAMPBELL is that he is in Hayti endeavoring to obtain protection from the natives for Cincinnati capitalists who claim a concession to cut mahogany and other valuable wood on that island. There never has been the slightest doubt in THE LEDGER's mind that CAMPBELL's proper place is in Hayti looking well after the woodpile.

A PHILADELPHIA undertaker has been arrested for burying the body of one BENJAMIN FRANKLIN without a permit. Philadelphia has so long and so shamelessly buried the dead and grave of the real BENJAMIN FRANKLIN that it is probable the unsuspecting undertaker imagined it wouldn't make much difference whether his BENJAMIN had a permit or not, or even any sort of burial.—Cincinnati Commercial Tribune.

The Cincinnati paper does Philadelphia a gross injustice. The real BENJAMIN FRANKLIN is buried in the Quaker Cemetery at the corner of Fifth and Arch streets, which was, until some thirty-five years ago, surrounded by a high brick wall, obstructing his grave from view of the public. About that time a patriotic member of the City Council, Mr. GORDON, if THE LEDGER remembers aright, proposed to erect a magnificent monument at public expense over the grave, that strangers might look upon the stately shaft that marked the resting place of the great Philosopher. But as the congregation that owned the burial-ground intervened and prevented its consummation. A compromise was effected, however, and the Quaker Church authorities agreed to permit the removal of that portion of the wall immediately fronting the grave of FRANKLIN, and the substitution of an iron railing, so that strangers might view the plain slab which covers the ashes of BENJAMIN and DEBORAH FRANKLIN.

DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, unless you want something that will relieve you of your money. You will be sure to get a warmer and more regular climate. Yes, if possible, if not possible, in the British Isles. That is the only remedy that has been introduced in all civilized countries with success in several thousand and long troubles. "Boehme's" certain specific, causes easy expectation, gives a good night's sleep, and a good night's rest. Recommended many years by all drugists in the British Isles. For sale by J. J. ## SOMETHING WORTH CONSIDERING:

"Snooper" in Louisville Post.

There are six New England states with a total of men, women and children to the number of 5,591,962, according to the census of 1900. New England is the only state in the Union where every state ought to have it, every state will have it. According to the latest report of the New England savings institutions, and they are the trustiest, the gigantic sum of \$100,000,000 is now held by individuals—men, women and children—in all New England has a savings bank account, and the average deposit is to the credit nearly \$400.

## IS HIS LIFE ENDANGERED.

John Moore, a Louisville Lad, Came Near Drowning After Being Set on Fire.

Louisville, Ky., Aug. 17.—After escaping from a fire John Moore, aged 8 years, came near drowning in a pool in Patterson's sand pit Friday morning.

He and several companions were playing around the edge of the pool when in the excavation was a brush fire. Young Moore slid down right into the burning embers, being unable to stop after he got started. His clothes caught fire and he was being burned, when he extricated himself. To extinguish the flames he jumped into the pool, nearly drowning, was saved by a patrolman, and when found he had one peril only to fall into another. Patrolman Quinn witnessed the accident and rushed to the rescue in time to save the boy from drowning.

## TROPICAL STORM

Reports of the Drowning of Men in the Bay Have Reached Mobile, Ala.

WIND AT RATE OF 70 MILES AN HOUR.

A Pleasure Yacht is Reported to Have Been Pounded to Pieces on the Wharf at Battles.

Logging Camps and Mill Manufacturers Suffered Considerable Loss By Breaking of Booms—Schoners Demasted.

Mobile, Ala., Aug. 17.—The tropical storm which came up out of the south Wednesday and increased in force during the day following is believed to have been the severest in the vicinity of Mobile. The highest wind blew at the rate of 70 miles an hour for several hours. Vessels which had been at anchor in the bay have reached here, but it is impossible to confirm them, owing to the complete demolition of all means of communication.

The pleasure yacht Ariel, bound for Fish river with a party of Mobile people, was driven ashore and pounded to pieces on the wharf at Battles, on the eastern shore of the bay. Nothing has been heard of the crew.

Nothing has been heard from Fort Morgan. Two companies of the coast artillery are stationed there. The barracks and buildings have been put to pieces by the wind.

No Communication From Islands.

No communication can be had with any of the islands in Mississippi sound, just outside the bar, 3 miles below here. Any news concerning the fate of the islanders must come by boat, and this is anxiously awaited.

The fruit steamer Herald, from Porto Cortez, arrived late Friday night. She reports speaking a two-masted schooner 65 miles southeast of this port, totally dismasted. The captain of the schooner declines as sick and is unable to speak. The manufacturers have suffered considerable loss by the break of boom. Saw logs and squared timber drifted into Mobile all day, much of it coming up on Royal street, three blocks from the water front.

The steamer saffron and the mill of Heppner Bros., located at Magazine Point, were badly damaged, parts of the plants being blown away.

No estimate of the damage in Mobile is possible at this time.

## IN CENTRAL ALABAMA.

The Storm From the Gulf Did Considerable Damage in That Locality.

Montgomery, Ala., Aug. 17.—The storm from the gulf did considerable damage in central Alabama. The cotton and cotton seed at Troy say that cotton and corn were prostrated around those towns, and the loss to the farmers will be heavy. Trees were uprooted and houses unroofed, but so far no loss of life has been reported.

At Tuscaloosa, a raft anchored in the Alabama river and supporting a pig-iron driver was sunk, carrying the machinery, valued at \$2,900, to the bottom.

In August county the estimated damage to the cotton crop varies from 20 to 30 per cent. Late corn is protected.

A special from Selma says: "The Mobile train on the Southern here can not be heard from. The wires are down from Thomasville. Superintendent Foracre, not being able to get information, left at an early hour for the special train for Thomasville to ascertain the trouble. It is probable that a washout has occurred below Thomasville."

Tuscaloosa, Ala., Aug. 17.—The heavy rains of Thursday night have swollen the Warrior river and put much farmland land in danger. Progress on the government work on the river is retarded.

## THE NEW ORLEANS STORM.

No Great Damage Was Done Anywhere Except Along the River Below the City.

New Orleans, La., Aug. 17.—The storm has passed and seems to have done no great damage anywhere except along the river below the city, six fatalities occurring near the river's mouth. In the city the only injury was to lambs and goats in the section flooded by the break in a canal bank, which was closed before morning. Rice and orange farms on the lower coast were severely injured. The inhabitants there believe that they were struck by a tidal wave combined with a gale. The live lost was half a mile above quarantine. A large house was overturned with 15 in it, and Mrs. Rosa Walker, 10-year-old daughter, Ida Walker, Miss Birdie Cobden and Miss Ella Cobden were drowned.

Killed By a Train.

Peoria, Ill., Aug. 17.—Horace Easton, brother of the late E. A. Easton, commissioner of the asylum for incurables, was killed by a train. Easton and one of the wealthiest distillers in Peoria, was struck by a passenger train on the Rock Island & Peoria road and instantly killed.

## BATTLESHIP IOWA.

When She Arrives at San Francisco She Will Receive Orders to Proceed at Once to Panama.

Washington, Aug. 17.—A telegram has been prepared at the navy department to go forward to the Iowa immediately upon her arrival at San Francisco, commanding her to proceed at once to go to sea. When she arrives the department that she is ready an order will follow for her to proceed at once to Panama. The little cruiser Ranger, which is at San Diego, was ordered to sail Friday. It is not believed that there will be any delay in the departure of the Iowa and several days' notice in which to prepare for the sea. She is very slow, however, making not more than six knots, and as the distance to Panama is about 2,700 miles, it will require about 15 days for her to reach Panama. The Iowa, however, therefore, decided to dispatch the Iowa as soon as the battleship arrives at San Francisco and can prepare for the trip.

San Francisco, Aug. 17.—The battleship Iowa arrived from Puget sound, having been delayed in the Orient for a few days. Vessels which had been in Oriental waters for about two years, arrived in port after a run of 22 days from Hong-Kong, 37 from Shanghai, 25 from Yokohama and 7½ from Honolulu.

## BRITISH SCOUTS CAPTURED.

They Were Surrounded in the Hills By a Superior Force of Boers and Surrendered.

London, Aug. 17.—The war office has received the following dispatch from Lord Kitchener, dated Pretoria, August 16:

"While a party of 50 of French scouts were proceeding to join a column near Bethesda they were surrounded in the hills by a superior force under Theron and surrendered. One was killed and three were wounded. One was captured."

Lord Kitchener does not give the date, but the casualty list indicates August 8.

Durban, Aug. 17.—Lord Kitchener, with a strong force, is moving on Howard, on the border of Zululand, where General Pienaar is reported to have concentrated 4,000 Boers. An important engagement is expected to ensue.

## CAUGHT IN MILWAUKEE.

An Alleged Forger and Embosser from Duisburg, Germany, Is Placed Under Arrest.

Chicago, Aug. 17.—Shaded by the police of Paris, bounded by the detectives of Seward Yard, looked for the safe of the American, Philadelphia and Cincinnati, Garfield Terminal of Duisburg, Germany, accused of forgery and embossing by the German government, was captured in Milwaukee by Chicago Pinkeertons and brought to this city for safekeeping. The prisoner is wanted by the German authorities for having forged and counterfeited 1,500,000 marks worth of charts and securities, the property of the Garfield Terlinden Co., of Duisburg, of which he was manager.

Wellsburg, W. Va., Aug. 17.—Lord Kitchener, Park, Painter's, Clark's, Lindsay & McCutcheon's and the Crescent tin works, the six properties open partly or in full with non-union men since the strike began, moved along another. Another crew was recruited at Painter's. The other United States steel properties unaffected by the strike were also running without interruption, while non-union men are being brought from the south to break the strike in the steel works at Menses. It is expected that a start will be made there the first of next week.
